Coverage Area: Southwest Missouri (Residential, Commercial, Industrial)

Website: farrbetterplumbing.com

Phone: 417-864-8703

Email: office@farrbetterplumbing.com

Years in Business: Since 2000

Crew Size: 50+ Service Trucks | Full-Scale Excavation Division | Licensed Commercial Installers

Core Competencies

We specialize in providing code-compliant, scalable plumbing solutions for residential and commercial new construction, renovation, and infrastructure projects. Our team delivers:

- Complete new construction plumbing systems (rough-in to trim-out)
- Excavation and utility trenching services for water, sewer, and lateral lines
- Fixture installation, water heaters, and ADA-compliant setups
- Sewer, drain, and vent system installation
- Licensed backflow prevention and testing
- Grease trap & interceptor installations
- Multi-unit and mixed-use plumbing layout and install
- Coordination with architectural and mechanical plans
- Value engineering support & field-driven adjustments

Project Experience

- Multi-Family Housing
- Commercial Tenant Improvements (TI)
- Restaurants & Retail Buildouts
- Medical & Dental Offices

- Schools and Public Facilities
 - Custom Residential Homes
 - Septic & Sewer System Replacement Projects
-

Equipment & Workforce Capabilities

- 50+ service vehicles across Southwest Missouri
 - Dedicated new construction and excavation crews
 - Backhoes, trenchers, hydro-jetters, and sewer cameras
 - State-licensed journeymen and master plumbers
 - OSHA-trained, fully insured technicians
-

Differentiators

- Large-scale manpower with small-town service values
 - Rapid response times and high project capacity
 - Trusted by contractors for reliable scheduling & inspections
 - In-house excavation = fewer subcontractors, more control
 - Longstanding reputation for quality, communication, and professionalism
-

Certifications & Compliance

- Missouri State Plumbing License – [Insert License #]
 - Fully Insured & Bonded
 - OSHA Safety Trained
 - Backflow Certified Installers
 - Code-Compliant & Municipality Approved
-
